

APPENDIX 2.A

Texas A&M University - Corpus Christi Diving Program Application

Dive Status:

Relationship to organization (Faculty, Staff, Student, Visitor) _____
 Original AAUS dive authorization from _____ Date _____
 Active in the TAMUCC Program since _____
 This Dive Status is presently _____
 This Diver's depth certification is presently: _____

Classification:

	Application Date	Date of Status Approval
Applicant	_____	_____
Scientific Diver-in-Training	_____	_____
Scientific Diver	_____	_____
Working Diver	_____	_____
Temporary Diver	_____	_____

Personal Information:

Name _____ Birth Date _____ Age _____
 Address _____ E-mail _____
 City _____ State _____ Zip _____
 Telephone _____ Telephone (Alt) _____

Emergency Contact _____ Relationship _____
 Address _____ E-mail _____
 City _____ State _____ Zip _____
 Telephone _____ Telephone (Alt) _____

Diving certifications: List Highest to lowest.

Agency	Certification Level	Certification Date	Certification #
_____	_____	_____	_____
_____	_____	_____	_____
_____	_____	_____	_____
_____	_____	_____	_____
_____	_____	_____	_____

Ancillary Diving Certifications:

	Agency	Certification Date	Level	Expires
First Aid	_____	_____	_____	_____
Adult CPR	_____	_____	_____	_____
AED	_____	_____	_____	_____
O2 Provider	_____	_____	_____	_____
Neuro Assessment	_____	_____	_____	_____
Blood Borne Path.	_____	_____	_____	_____
Other	_____	_____	_____	_____
Other	_____	_____	_____	_____
Dive Insurance	_____	_____	_____	_____

AAUS Individual Member? Yes _____ No _____

Medical Exam Date _____ Expiration Date _____
 Does Medical meet AAUS standards? Yes _____ No _____

Diving Activity:

Date of last dive					Last Diving Accident Management session attended					
Years diving					Total hours underwater			Greatest depth		
Total number dives					Number of dives in past 12-months					
Total dives to:	0-30	31-60	61-100	101-130	131-150	151-190	>190			
Time at depth:	0-30	31-60	61-100	101-130	131-150	151-190	>190			
Dive locations										

Diving experience: One X for some experience, 2X's if greater, 3X's if certified.

Fill out when personal equipment will be used for TAMUCC sanctioned diving. Consult DSO for instructions on adding additional pieces of equipment. Personal equipment used on TAMUCC sanctioned diving is subject to the same rules and regulations required of facility owned equipment, i.e. configuration, compatibility, and maintenance. The DSO will be informed if one personal item is to be swapped out with another personal item. The exchange will be recorded and filed in Diver's file.
